2021 Vintage

QUINTA DO NOVAL RESERVA Branco

Rich and structured, it is outstanding for its finesse with an intense character typical of a magnificent plot full of garrigue flowers. It is derived from a strict selection of the best batches of the Quinta's various indigenous grape varieties.

An authentic white wine from the Douro Valley.

CHARACTERISTICS OF THE 2021 VINTAGE

The viticultural year began with a fairly wet winter followed by mild temperatures leading into spring. These two conditions led to an early budburst in March. April provided us with regular rainy spells that positively replenished the soil water reserves.

Flowering occurred quite early in the beginning of May that led us to expect an early harvest. June was a difficult month, very hot and humid, where regular thunderstorms and hail affected the region. Quinta do Noval was thankfully spared from that inclement weather.

July's mild weather started to shape the character of this harvest because it contrasted completely to last year's record setting temperatures during the same month. The mild conditions continued into August and led to a slow homogeneous ripening of the grapes and noticeably less dehydration than in 2020.

We harvested our white grapes from 24th to 27th August. The first wines made showed intense fruitiness and crispy acidity. Overall it can be said that the average quality of the wines made is reasonably good throughout. The dry whites are very promising, with a brilliant colour and a nice mineral structure in the mouth.

TASTING NOTE

The wine is powerful and rich with an abundance of fruit and floral aromas like the *Dittrichia Viscosa* that grow between the row of vines. It reveals a remarkable volume and structure followed by a long and fresh finish. This 2021 shows two of our white local varieties, Viosinho and Gouveio, at their best.
